Re: Election of Must-Carry Status for KTVL-TV, Medford-Klamath Falls, OR

Dear Mr. Hayward:

Pursuant to Section 76.64 of the Federal Communications Commission's rules, 47 C.F.R. §76.64, Freedom Broadcasting of Oregon, licensee of KTVL-TV, Medford-Klamath Falls, OR, hereby elects "must-carry" status of KTVL-TV's analog signal on your cable system which serves, among other areas the community of Diamond Lake, OR.

This three-year election cycle commences on January 1, 2006 and ends December 31, 2008.

Pursuant to Section 76.57 of the Commission's rules, 47 C.F.R. §76.64, Freedom requests carriage on cable channel 10, which is the Station's off-air broadcast channel. If this position conflicts with the channel position chosen by another broadcast station entitled to mandatory carriage on any of your above listed systems, please let me know as soon as possible.

This election applies only to KTVL's analog signal. Retransmission of KTVL's digital signal without KTVL's express written consent is prohibited. However, we do hope to come to a mutually satisfactory agreement for carriage of KTVL's digital signal on your cable system and look forward to discussing that with you soon.

We look forward to working with you in carrying out these arrangements. Please feel free to contact me with any questions concerning this must-carry status election letter.

Re: Election of Retransmission Consent Status for KTVL-TV, Medford-Klamath Falls, OR

Dear Mr. Greenwood:

Pursuant to Section 76.64 of the Federal Communications Commission's rules, 47 C.F.R. §76.64, Freedom Broadcasting of Oregon, licensee of KTVL-TV, Medford-Klamath Falls, OR, hereby requests retransmission consent status for Charter Communications carriage of KTVL-TV's signal on the system serving the community of Alturas, CA for the three-year election cycle commencing on January 1, 2006 and ending December 31, 2008.

The Alturas community is served by both the Medford-Klamath Falls and the Redding DMAs; therefore, Freedom requests carriage of its analog signal on this system. Retransmission of KTVL's digital signal without KTVL's express written consent is prohibited. However, we do hope to negotiate an equally satisfactory agreement for carriage of KTVL's digital signal on your cable system and look forward to discussing that with you soon.

We look forward to working with you in carrying out these arrangements. Please feel free to contact me with any questions concerning this retransmission consent election letter.
